

Alexander Contract Service Meter Readers

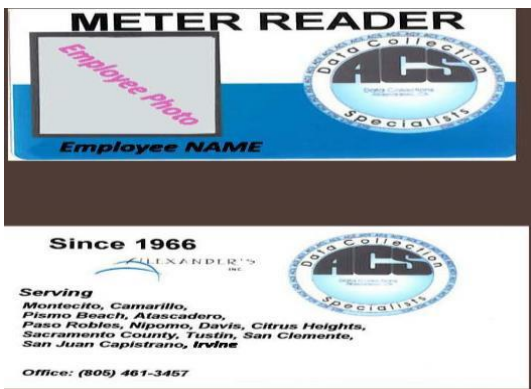

The City of Whittier has contracted the reading of water meters to Alexander's Contract Services. Below is a visual reference of what our employees attire, badges, trucks, scooters, tools and computer units look like.

The employees will have a reflective vest that says Meter Reader over a blue uniforms.

Each employee is carrying a handheld and Versa Probe to collect data.

Each Employee has a badge with his / her name and picture.

Employees may be riding scooter similar to this or smaller mopeds. Units are registered to Alexander Contract Services

Example of Alexander Logo's on White Trucks
