13230 Penn Street, Whittier, California 90602-1772
(562) 567-9320 Fax (562) 567-2872

At-Risk Acknowledgement

Date: _____

Project Address: _____

My relationship to the project is (check one):

- Property Owner
- Architect / Designer
- Contractor
- Franchise Owner

I hereby acknowledge that the attached plans (and any associated documents) are being submitted to the Building & Safety Division for plan review examination for the above referenced project. I further acknowledge that the plans have not completed the necessary review and approval process as may be required by other departments, divisions or other authorities having jurisdiction over this project. I understand and acknowledge that the submittal of this permit application is "At Risk" and any changes or modifications required hereto shall be made at no cost to, or claim with, the City of Whittier. I also understand and acknowledge that modifications may be required to the submitted project valuation and/or that additional plan review or other fees may be charged by the Building & Safety Division that are associated with revisions to the submitted information. I understand that payment of any additional fees is required prior to the commencement of any additional review.
