Hello,

I am writing as I am not able to be at the meeting. I am writing because I am against removal of the trees on Greenleaf.

I have been in Whittier for 4 years. Removal of the trees with cause excessive heat, and make things barren and ugly. A fully done ecological report is needed to see the effects of removing so many trees only to replaced incompletely with saplings.

Removal will make Greenleaf the opposite of beautiful.

All my best,
Amber
