Dear Whittier City Council-

Ye Ole Friendly Towne is made that way in part by those trees!! Please don't destroy them. I'm all for modernizing and updating uptown but this is not the way. Countless movies have been filmed uptown because of the Main Street USA vibe it denotes. I remember being part of the filming for The Wonder Years back in the 90s.

Don't make our city look like a cookie cutter outdoor shopping center.

Let's honor Whittier's history and keep these trees that line Greenleaf. I'm sure there is some solution other than destruction.

Sincerely, Viviana Vigil
