Subject: January 25, 2022 Council Meeting | Agenda Item 14.B | Discussion of Fiscal Year 2020-21 General Fund Surplus

Dear Mayor & Council:

Under item 14.B., Discussion of Fiscal Year 2020-21 General Fund Surplus, I'd like to voice my support of staff's recommendation to invest part of the \$17.5 million surplus for the expansion of sports fields, in particular the Sierra Fields. The City's and Whittier Union's goal align with this recommended joint use project, which is to improve the athletic fields for the community to enjoy.

I thank both Whittier Union & City staff for their time and effort in bringing this item forth to present to you all.

Respectfully,

Jaime López
