Mayor Joe Vinatieri,

I am emailing because I was disgusted and insulted to have City Council member Jessica Martinez at attendance at today's Whittier Pony League Opening Day. What was supposed to be a beautiful day turned sour once I and other parents were shocked to see Jessica Martinez - a January 6 capital insurrection participant - not only in attendance, but given the stage to speak directly to children - MY children. She may not have been removed from her City Council seat, but that certainly does not mean that she is accepted by the majority of Whittier City residents. She should not have any presence at Whittier City engagements. No one wants to see or hear from her. She is a stain and a shame on our city. In addition, the fact that you stood by her on stage today speaks to your character as well.

Concerned Whittier resident.
