To whom it may concern,

My name is Angie, I am a person who regularly liked to visit uptown Whittier but lately with all the street closures it has discouraged me to visit your beautiful city. Not only do I believe it affects small businesses because of the parking situation but also I have noticed there are a lot of skaters around all the time, normally it wouldn't be a bother but I have witnessed them being rude to pedestrians that are just trying to have a nice time shopping or eating at the local restaurants. I hope you reconsider opening up the streets so that uptown Whittier can return to its normality.

Thank you
