To whom it may concern,

My wife and I bought a home in uptown Whittier in the fall of 2020. Her family is all from Whittier so she knew the area well but I didn't, so I've only experienced living here with the Greenleaf promenade. It has been delightful, and I wouldn't want it any other way. It is easily one of the best features of uptown and adds to the walkability of our town. Changing it back to an open street would be a mistake and I hope that doesn't happen.
