My husband and I love making the trip from our home in Bakersfield to Whittier to meet friends and dine out at one of the lovely restaurants that make up the Greenleaf Promenade. We like the feel of dining in the great outdoors enjoying the cuisine from a number of good restaurants. I doubt we would make the trip if the outdoor dining experience were eliminated.

Speaking as a satisfied customer I urge the city leaders to not dismantle outdoor dining opportunities of the Promenade.

Signed,
Carolyn Chupek
