Greetings,

As a lifetime resident of the City of Whittier I would like to add my opinion on the state of the green leaf promenade; I would like to continue to keep it closed to traffic. I enjoy the outdoor dining experiences available. I think it's good for business as it allows restaurants more patrons than what is available indoors, but more importantly, I think this is an additional safety provision for patrons. Safety should be the priority when all considerations are made.

Thank you for your time,
Christina Zavala
