To Whom It May Concern:

My name is Connie Lopez and I am a resident of Whittier. I am also a frequent patron of the businesses along Greenleaf Avenue. I propose for Greenleaf Ave to stay closed. The seating outside has been a nice addition to the establishments along the Avenue. It has made outdoor dining very enjoyable and provides another option than being confined to indoors, especially when we have such beautiful weather. In my encounters with the area, oftentimes the cars are traveling too fast, are too loud or are blocking traffic for others to get through, especially between Bailey and Wardman. The foot traffic is heavy in these areas, and it would offer more of an opportunity for people to enjoy a pleasant stroll from one end of the street to the other, without having to look out for cars.

Thank you for your time,
Connie López
