Hello,

As a resident of Whittier, I would be grateful if the city kept the Greenleaf Promenade. I have heard so many stories throughout the past few years of long-time Whittier residents trying restaurants on the Greenleaf Promenade for the first time. Restaurants that have been there for 10+ years! When vehicles are allowed to drive through this part of Greenleaf it doesn't allow for foot traffic and that leads to less exploration of restaurants and shops in this area. Now that Greenleaf is closed residents and visitors to Whittier are able to support local businesses and restaurants and enjoy their community and help its economy. I know a few owners of these restaurants and if it was not for the outside areas of their restaurants they would not have been able to survive the pandemic.

I ask you to please keep the promenade, not only for the businesses but for our community. I love the city of Whittier and I hope this space is here to stay.
