Rigo-

Please know how much your efforts and responsiveness are appreciated. In my opinion you have done a fantastic job managing this election while dealing with a wide variety of problems and issues, particularly given the current political environment. Not to mention the boatload of requests - unfortunately alot from me!

You have my personal appreciation for your professionalism, your responsiveness to issues, and the management of a difficult and multi-faceted operation.

Thanks Rigo - both to you and your staff!
