Read Your Voicemail

"Hello, my name is Nina Cook Whittier City Resident for 67 years. I just like to say that I'm absolutely heartbroken pennies and the wet, but it's going to be torn down, possibly, and I vote against it. I vote against more condos in that area. We need our Westwood Mall has to travel all the way to brand, now, to find pennies. That's not gonna happen. I shop it pays to couple times a week, and I've just am really saddened by the thought that you can tear it down. Please don't do it. I plan to write letters to all the city Council members and pursue this issue. Thank you for listening. Bye, Bye."
