Dear Council Members:

I am **IN FAVOR** of prohibiting 3 Ton vehicles travelling on Norwalk Blvd. (basically) between Beverly & Whittier boulevards.

I reside at 5642 Norwalk Blvd. and every morning after 2:00 A.M. and throughout the day, the trucks (i.e., Federal Express) come hauling down towards Whittier Boulevard **shaking my entire home**. I have lived here over 25 years and had to move bedrooms twice to try and get some rest. Every year the traffic and noise seem worse (especially when the FedEx distribution center opened near Rio Hondo). It's really bad on our street.

It would be a dream come true if something could be done to curtail the noise and rumbling.

Thank you
