Dear Planning Committee,

How is it possible that you allow your committee chair Richard A. Quirk to have any part in tonight's meeting to discuss the proposed building of 42 condos/townhomes at 9829 La Serna Drive? Chair Richard Quirk's husband is very much involved with the Friendly Hills HomeOwners Association which is openly taking money from the developers to advertise "Villas at Friendly Hills" in their magazine and website and from the beginning this association has "given the approval/supported" the development of these condos given they do not represent all of Friendly Hills residents!! I demand that Richard Quirk recuse himself from any involvement in the review or approval of this project.
