Hello, my name is Christine Liu, and I am a resident of The Groves at Whittier. I am asking the City Council to oppose the CUP request made to permit a church to operate at 11750 Whittier Blvd. There was inadequate public outreach conducted by the applicant and city planners regarding this project. Our community was never notified of the public hearing process for this CUP case, and we are disappointed to see a church replace a vacant commercial lot that is zoned for mixed-use especially seeing as there is already a church literally down the street on Sorensen. This lot could be used to create more housing, provide commercial space for local, small businesses, or even an Asian grocery store, which is what I and many in our community was hoping for in particular.

Thank you for your consideration,
