To whom it may concern,

On behalf of the Prevention & Aftercare Program, a program designed to support community efforts in staying safe and healthy to prevent child abuse and neglect, at SPIRITT Family Services, I would like to ensure our support in efforts aimed at improving the health and well being of family in this community. Please count on our organization to be part of the efforts to connect families to services in their communities, such as substance use treatment and other services that engage the entire family in learning was to manage life stressors in this post pandemic world. I hope this sign of commitment will allow for your committee to continue its efforts in providing these types of the services to the needy neighborhoods in the wonderfully city of Whittier.

Thank you,

Evelyn Casimiro, ACSW, MSW
