Good evening Mayor and Councilmembers

My name is Antonio Gutierrez, and I'm a proud east whittierite. I've been a resident of Whittier for 33 years.

I am here to express my opinion on Republic services funding. My personal opinion is that we should not be giving Republic Services additional money to complete their contract.

I strongly believe we should be utilizing the \$139,000 for City services/ city events. I have 3 children who have benefited from multiple programs this city offers and believe these dollars should be allocated to these programs.

Thank you.
