Dear City of Whittier,

Im a Resident of this great City. My Daughters have been playing soccer at WAYS for years. We have seen how WAYS has helped them their physical and mental development to make them healthier and smarter children.

Im concerned with EWCSO plan to build the track at Hillview Middle School, this will change how our league carries its practices and games.

We would like the city to help in securing the fields we need for the upcoming fall season.

We and our community will be affected if our children don't have a place to play sports.

Please do something to change this procedure.

Thank you, Hernan Palacios
