Subject: Police Funding

Dear City Council members, I am concerned that the proposed funding of \$77,329.32 to replace exercise equipment used by our police officers is quite exorbitant. Are they in training for the Mr./Ms. Universe contest? It would be less costly if the city paid for the membership of each officer at a health club such as LA Fitness or another fitness club that operates in Whittier. That way we can provide a local business with income and regenerate city tax money. Sincerely, Anthony Avila
