Hello All.

Hi,

Eventually, the traffic count at the intersection of La Serna Drive and Jeanane Dr/Friendly Hills Marketplace will increase due to new housing. Layer in the is a walkway for high school students and you may see my concern. My recommendation is to be proactive before traffic increases and install a 4 way stop sign and/or large visible crosswalks.

As a possible crosswalk suggestion, on a recent visit to Costco, I turned south from Whittier Blvd onto Valley Home and noticed the crosswalk was painted Orange instead of the usual White. I was surprised to see how well it stood out. If you have an opportunity to see that intersection I think you will agree with me on the color suggestion.

Sincerely,

John Marzy
