City Council,

I am against short term rentals in Whittier. As a neighborhood watch captain on my street, I believe these rentals will cause more crimes in our neighborhoods. We already have enough crime in and around Whittier. The people who rent short term rentals have big parties and have many cars (with no parking spaces). Usually they are young people who don't care about making noise and invite others from bad neighborhoods to come over to have parties. Short term rentals will bring the value of our nice neighborhoods and homes in Whittier down!

If you don't know already, many of these short term rentals have been on the "News" on television talking about the crime they have caused. This will be a disaster for Whittier.

Please consider not doing this, it's not good for our City!!!

Sincerely,

Brenda Williams
