Subject: Lisco St Nuisance and Food vendors

Good Afternoon,

I am writing to make a formal complaint about the procession and traffic on Lisco The address for one of the houses is 16139 Lisco Street.. It has been getting out of hand in recent years. This year has become increasingly frustrating with all the litter due to the street vendors now and the inability to get home after it gets dark. To park in my driveway it took me 50 minutes to go a quarter of a mile in my neighborhood. There are no alternate ways to get to my drive due to the halloween procession. This year street vendors are setting up on the corner of groveland and Lisco. I am attaching pictures to show you of this past Saturday. Many of the people walking the street had open alcoholic containers and left tons of empty alcohol containers on people's lawns and gutters. If there are permits for this procession and street closure are they public record?

Thank you for your time,

Michael
