I am writing this email as a concerned constituent of the City of Whittier. I live on Janine Drive, just blocks from Murphy Ranch Elementary School. On my way to work each morning I drive west on Janine toward La Serna Drive. It is a high traffic area in the morning. It is unsafe to make a left toward Whittier Blvd as many cars are traveling at a high speed coming from La Serna Drive in both directions. I understand there will be a council meeting on the matter. I hope that our opinions on the matter will be taken into consideration. Thank you.
