Subject: Uptown Whittier trees

[NOTICE: This message originated outside of City of Whittier -- DO NOT CLICK on links or open attachments unless you are sure the content is safe.]

Please do not take down trees.

Here are some topics about beautiful trees.

1. They purify the air and combat climate change.
2. Trees provide housing of millions of species that protect us from disease.
3. Trees cool our streets and city.
4. Trees protect us from floods and water pollution.
5. Trees ease the mind during stressful times.

Plus they provide shade with their beauty.
