RECOMMENDATION

Appoint two City Council Members to serve on an Ad Hoc Committee for the renovation of Parnell Park.

BACKGROUND

In December of 2020 staff began the process to search for funds for the renovation of Parnell Park. Community surveys and stakeholder meetings were held regarding renovations at Parnell Park.

On November 9, 2021, City Council authorized the acceptance of a grant from the State of California for the renovation of Parnell Park, including:

- Youth Sports Fields, Lighting and Ancillary Improvements
- All Abilities Playground and Rubberized Surfacing
- Fitness Par Course
- New Restroom Facility
- Splash Pad

On February 8, 2022, during the City Council authorization of an agreement with SWA Group to perform investigatory engineering work, to develop design concepts, and to develop cost estimates for the renovation of Parnell Park, a formation of an Ad Hoc Committee was requested.

Ad Hoc Committees are temporary, serve a single purpose, dissolve when the task is complete, and are comprised of two Council Members. Ad Hoc Committee meetings are not subject to the Brown Act.

DISCUSSION

City Council is asked to nominate two members to an Ad Hoc Committee for the purpose of providing renovation design feedback for Parnell Park. The anticipated completion date is July 2022.
