Dear Mayor and Council Members:

We want to express our concern about Whittier becoming a haven for persons who do not respect Whittier and our neighborhoods.

We have been in the Starlight Estates neighborhood for 31 years and Whittier residents for over 37 years. We have invested our resources to live in a safe neighborhood.

During this time we have seen some outsiders come to Whittier with little respect for our City. This occurred when Hellman Trail was first opened. We had mail theft, vandalism and it was unsafe for many of us.

**We are opposed to any short-term rentals.** If short-term rentals are allowed they must be limited to short-term rentals to the 'primary residence' requirement. Persons should not be able to purchase our valuable property and turn it into a motel.

Please protect our City, neighborhoods, and residents.

Sincerely yours,

Bob Wheeler and Beth Camarco –
