GUIDE FOR OBTAINING TYPING CERTIFICATE

For all positions that specify a typing speed requirement, applicants must submit a valid Typing Certificate with their City Employment application.

Certification may be in the form of a certificate, letter, or test results form that must clearly state the following:

- Applicant's Name
- Name, address and telephone number of the issuing agency. Acceptable agencies are a government agency, an employment agency, a business or community college, an adult school or a public school system.
- Date of your test. The test must be dated within the past **6 months** of the application due date.
- **Five minute** timed test with net speed (gross speed – errors = net speed).

Certificates that do not include all the above information will be disqualified from the selection process.

A SELF-ADMINISTERED TYPING TEST THAT IS TAKEN OVER THE INTERNET OR ANY OTHER SELF-ADMINISTERED TEST WILL NOT BE ACCEPTED.

You may obtain Typing Certificates from other accredited schools or agencies of your choice. It is the responsibility of the applicant to ensure that certificates issued by any agency meet the requirements as stated above.

For your convenience, listed below are examples of acceptable local agencies that administer typing tests and provide certificates to the public. ****HIGHLIGHTED LOCATIONS ARE ABLE TO PERFORM TYPING TESTS WITH CURRENT COVID-19 SOCIAL DISTANCING RESTRICTIONS****
